### **Capital Markets Day**

Rotork plc (“Rotork”), the market leading actuator manufacturer and flow control company, is today hosting a Capital Markets Day for analysts and investors at its new manufacturing facility in Leeds. The programme includes a tour of the site and a series of presentations by Peter France, Chief Executive, and other members of the Group’s senior management team.

The Group published a Trading Update covering the period from 1 July to 12 November 2015 on 13 November 2015. As a result, no update on trading and no new material information will be provided during the event.

A copy of the presentation material will be available on Rotork’s website later today [www.rotork.com](http://www.rotork.com).
